To Whom It May Concern

2015 Oceania Weightlifting Championships – Kaeley Elkington

Olympic Weightlifting New Zealand would like to sincerely thank you for your involvement in helping Kaeley Elkington compete in the 2015 Oceania Weightlifting Championships in Port Moresby, PNG at the start of July.

[The New Zealand Weightlifting Team at the athlete village in Port Moresby]

It is with great pleasure that we can say that Kaeley represented her country with pride and was a great member to have on the New Zealand team. She should be extremely proud of her efforts on the international weightlifting stage and how she held herself in a competitive environment while under pressure.

Kaeley compete in the U63kg Female Youth and junior division in the Oceania Weightlifting Championships. With a 140kg Total, Kaeley Placed 4th in the Junior Division and made the podium in 3rd Place in the Youth Division which is an amazing achievement.

Any contribution towards helping our NZ weightlifters compete on the world stage is greatly appreciated and we wish Kaeley all the best for her training as she prepares for her next international competition in Samoa for the Youth Commonwealth Games in September this year.

Yours sincerely,
