

Brooke Kenny

On behalf of my wife Amanda and myself, we would like to thank you for the recent sports grant of \$500 for Brooke to attend a Tennis camp on the East Coast of the USA in the state of Massachusetts. Brooke was there for 8 weeks where she trained everyday, apart from when playing in two tournaments, for 6 hours. Such was the standard of training, Brooke's progress was measured by the level of the two tournaments she entered in. The first was a level 5/6 followed a much tougher tournament level 4/5 which Brooke was able to win both by beating the number 1 seed in both finals 6:0 6:1 and 6:4 6:4 respectively.

Brooke is currently practicing very hard for the forthcoming NSW Junior 14U State Championships in September and then in October has been invited to play in the 14U Masters Competition which is organized by Tennis NZ.

In closing, Amanda and myself want to thank you and Ngati Toa board for your support of Brooke's tennis over the last 2 years, which has seen Brooke's tennis gradually progress.

Nga mihi

Dean Kenny=
